Solaris Cancer Care

Solaris Cancer Care is a leader in integrative cancer care, providing a helping hand to guide patients and families towards optimal health and wellness.

A community based health care organisation, our vision is to bring humanity to healthcare through care, compassion and empowerment. We believe that engaging the whole person and not just the disease promotes overall wellbeing and improved quality of life across all stages of cancer.

Our services are complementary to those receiving mainstream medical treatment and are consistently refined through our commitment to research, education and client feedback. Solaris Cancer Care is dedicated to empowering all who seek our services through the provision of quality, reliable information on cancer related programs and support services.

By combining the best of modern medicine with evidence-based support, we can achieve the best possible patient care.

Paws of Love Pet Photography

Paws of Love Pet Photography was founded by Award Winning Photographer David Brittain.

David has over 25 years of experience as a professional photographer, is a graduate of the prestigious New York Film Academy and has been awarded the title of Master Photographer 4 times by the A.I.P.P.

David and his dog loving team are passionate about creating something different from the normal photos of dogs, something more artistic.

This project has allowed me to give something back to the community by helping to raise money for this worthy charity.
